

# THE STATE OF NEVADA

## CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, James Dautre has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from Summit Well through the a ditch, pipe-line, flume ( and troughs ) for ~~irrigation, power~~ stock ( ----- ) and domestic purposes, the point of diversion named in said application being as follows: at Summit Well which bears S 47° 26' 20" W, 58,896 feet distant from a post on the Nevada-Utah State Line marked thus N <sup>11</sup> UGC and -----, situated in White Pine County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 29, Chapter XVIII, Statutes of 1907, has determined the amount of such appropriation as follows:

Name of appropriator James Dautre  
 Postoffice address Aurum, White Pine County, Nevada.  
 Amount of appropriation 0.025 cubic feet per second.  
 Date of appropriation December 12, 1911.

~~Description of irrigated land~~ Description of works:

The water is pumped from Summit Well by a 2 H. P. pump operated by a horse whim, and conveyed through 25 feet of 2 1/2 inch pipe to five troughs, each 10 inches deep, 1 foot wide, and 12 feet long. These troughs conserve water for about 2500 head of sheep.

Description of use ~~other than irrigation~~

----- Stockwatering and domestic purposes -----

The right to water hereby determined is limited to the period included between Sept. 1st and Jan. 1st; and April 1st to June 1st of each year for stockwatering purposes, and the use is restricted to the place where acquired and to the purpose for which acquired; rights for irrigation not to exceed three acre-feet per year for each acre of land for which appropriation is herein determined. Continued title to water depends upon beneficial use of water appropriated.

IN TESTIMONY WHEREOF, I, W. M. KEARNEY, State Engineer of Nevada, have hereunto set my hand and the seal of my office, this Sixth day of May, A. D. 1913.

*W. M. Kearney*  
 State Engineer
